

Thomas Hollier  
Digital Artist | VFX Supervisor  
[thomashollier@relentlessplay.com](mailto:thomashollier@relentlessplay.com) -- 310 463 1327  
*Native French speaker. US and EU passports.*

I am a digital artist and VFX supervisor with a background in feature VFX, real-time content creation, and location-based media design. I enjoy projects that require innovative uses of tech to achieve compelling creative goals, the integration of multi-disciplinary talent, and the design of efficient workflows. Depending on the scope of the project, I switch back and forth between hands-on and supervisory roles.

### **Skills**

Digital media design in real-time, interactive, and location-based environments  
Creative and technical leadership on one-of-a-kind projects  
Extensive knowledge of feature VFX and animation
